Sprint 1 Plan: Heads Up Poker

Team name: Team Tilted
Sprint 1 completion date: October 20, 2019
Revision number 1
Revision date October 20, 2019

Goal: Create an interactive homepage on the website for players to use when they want to login and begin the game.

Task listing, organized by user story:

1. As a user, I want to be able to visit the homepage of the website so that I can view my playing options and login.
   - **Task 1:** Create the homepage (1)
   - **Task 2:** Provide a login option for the player and make the database for it. (3)
   - **Task 3:** Add images to the login page to make it more user friendly (1)
   - **Task 4:** Add color to the login page to make it more user friendly. (1)

   Total for user story 1: 6

2. As a user, I want to be able to choose between playing with a player and a bot.
   - **Task 1:** Create two buttons on the homepage that link to two different pages, one for each option mentioned above. The two pages need to be created, but not necessarily completed. (1)
   - **Task 2:** Add images to the Homepage to make it more user friendly. (1)
   - **Task 3:** Add color to the Homepage to make it more user friendly. (1)

   Total for user story 2: 3

- **Team roles**:
  Hardwin Bui: Scrum Master, Developer
  Nick Henderson: Developer
  Ryan McCrory: Product Owner, Developer
  Ryan Watkins: Developer
  Kenneth Yang: Developer

- **Initial task assignment**: A listing of each team member, with their first user story and task assignment.

  Hardwin Bui: User Story 1, initial task 3
                     User Story 2, initial task2
  Nick Henderson: User Story 1, initial task 4
   User Story 2, initial task 3
  Ryan McCrory: User Story 1, initial task 2
  Ryan Watkins: User Story 1, initial task 1
  Kenneth Yang: User Story 2, initial task 1

Initial burnup chart: A graph giving the initial burnup chart for this sprint and is labeled as such with sprint number and project name and is located in the lab.

Burn Up

Initial scrum board:
